The New York State Board of Regents announced that Regents Examinations for June and August 2020 will be cancelled. Adjustments have been made by The New York State Education Department (NYSED) to the examination requirements a student must ordinarily meet in order to earn a high school diploma.

It is important to note that these changes affect all students who intended to take a June Regents exam, not just students in the Class of 2020. Please be guided by the following.

For students who are currently enrolled in a course that culminates in a Regents Examination or World Language Checkpoint Examination:

- You will not take the exam(s) in June 2020
- If you pass the course(s) and earn credit, you will be exempt from requiring a passing grade on the Regents exam in order to graduate
- Your transcript will indicate "Ex," which signifies "Exemption" for June 2020
- This Exemption will be applied toward all NYSED Diplomas

For students who had previously passed and earned credit in a Regents course, who had not passed the Regents exam, and who had intended to retake the Regents in June 2020:

- Will receive an Exemption on your transcript for June 2020
- The Exemption will be considered a passing grade, and replace a failing Regents exam grade on the transcript
- This Exemption will be applied toward all NYSED Diplomas
- Students in this category would have already expressed to their teacher or counselor that they intended to retake the Regents in June 2020.
