

December 2018

Dear Families,

As 2018 comes to a close, the students and staff at Wood Park are excited about the learning and growth that the New Year will bring. We encourage our students to be in charge of themselves and have a can-do attitude! We teach the importance of **Habit 1-Be Proactive** (*you're in charge*).

The Character Education Committee would like to inform you that every class will be gifted the book ***You Get What You Get***, by Julie Gassman. This charming story reinforces Habit 1. In the book, the main character Melvin, learns an important life lesson. He learns that you don't always get what you want and that is okay! This delightful story teaches us that we can be proactive and make positive choices!

We wish all of you a wonderful holiday and look forward to continuing to practice the 7 Habits in the New Year.

Sincerely,

The Character Education Committee
