

CMS PTA is hosting a Games* drive!

From February 4th - February 15th!

Overly hot days or winter cold days could mean the option of playing games in our cafeteria!

By donating your gently used games and card decks we can provide fun options for our children before school or during lunch periods.

This is a great time to clean out your old games!

A games table will be placed in our CMS Lobby (by the bubble) with a sign for "CMS Games Collection".

Any questions please contact Tara Darvassy at Tarad268@yahoo.com

*All games undergo a selection process by Administration. Any games not selected will be donated to a local charity.
