

THE GUARDIAN BRAIN FOUNDATION

FILL OUR SCHOOLS WITH BUTTERFLIES FOR DANA

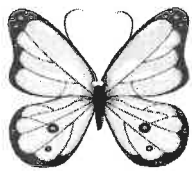

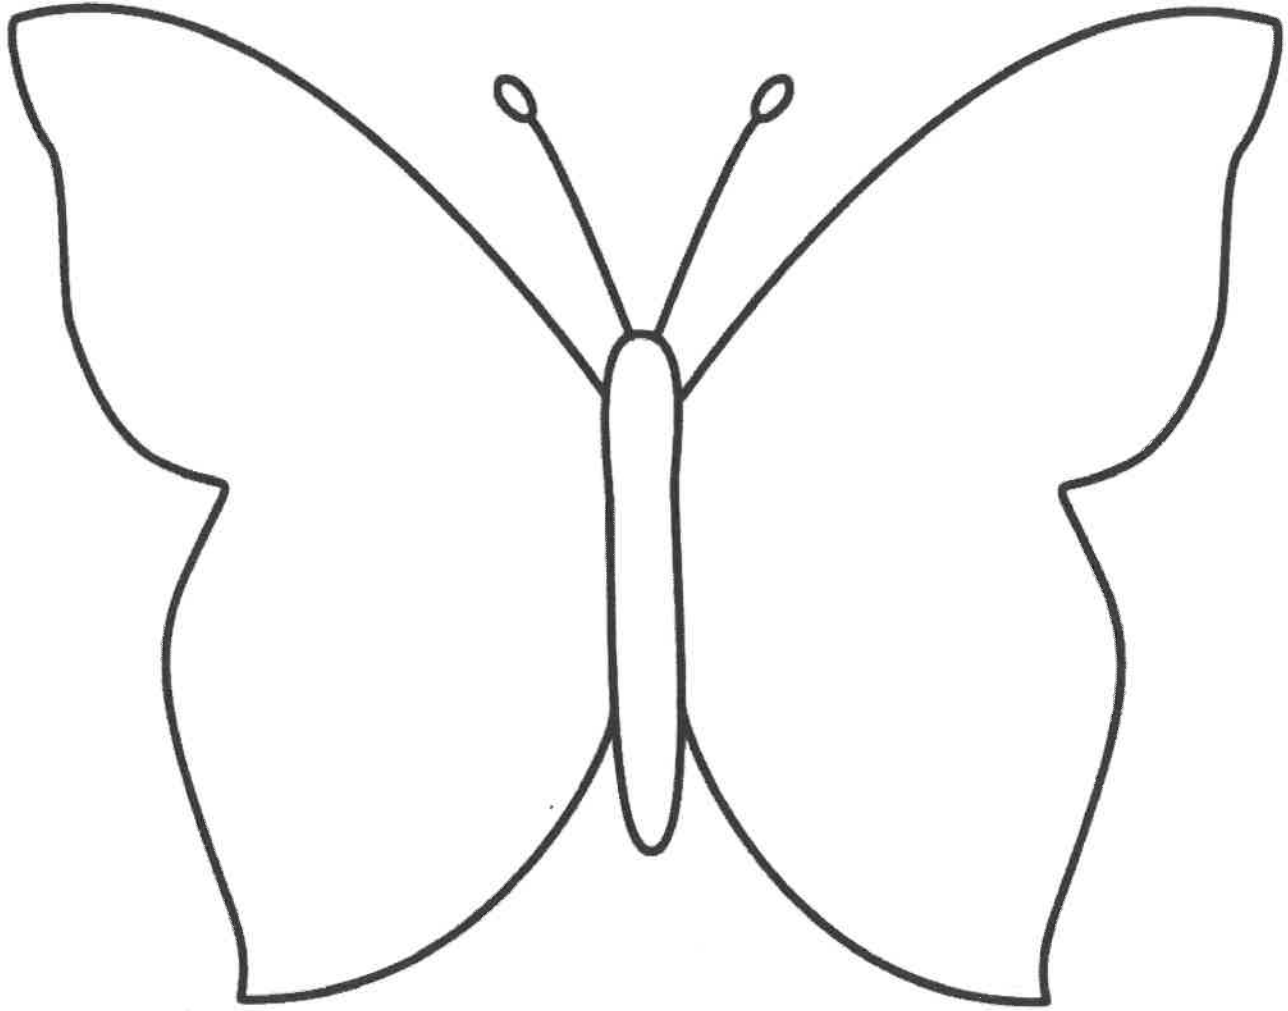

Commack child, Dana Ryan is in need of Stem Cell Therapy after a Traumatic Brain Injury she suffered this past summer. This new procedure is very costly for the family and we are asking the generous Commack community to come together and donate. 100% of the donations go directly to the Guardian Brain Foundation to offset her medical expenses.

Please purchase the attached butterfly for a minimum donation of \$1.00. Color and decorate it anyway you would like and return it to your school, by January 22nd, along with donations made payable to: **The Commack Educational Foundation**. The decorated butterflies will be displayed in each of the schools to show support for Dana.

If there any questions please contact Debbie Virga at dvirga@commack.k12.ny.us or 631-858-3623

Butterfly Kisses

For: Dana Ryan

Please mail finished Butterfly Kisses and your donation to any school within the District – Attention – Debbie Virga
