February 5, 2019

To Parents/Guardians of North Ridge Students:

North Ridge was scheduled to receive a new boiler in the Spring of 2019. Unfortunately, our current boiler was not able to sustain itself until that time. We have in place a temporary boiler that we will be using until the spring.

Due to the location of the boiler adjustments had to be made. Effective immediately, our walker line will *no* longer be by the alcove near the cafeteria. The walker line will be dismissed outside the 2nd Grade hallway. This will be in effect until further notice.

As always, our top priority is the safety of our *North Ridge Family*. We thank the District and Facilities department for their fast action to resolve this situation

Sincerely,
Katherine M. Rihm
Principal
