*Poison Ratenstein is in town for a killer concert, but his fans may be looking for a refund after this twisted tour turns tragic with a "murder" and a mystery to solve. This radical show could be super lame if no one can solve who was buggin' so we can all cool out and get the show started! Help the crowd and the detective figure out who ruined this totally tubular night, so everyone can, like, take a chill pill.*

*Grab your most righteous '80s concert gear to rock out in style while you solve a crime with your friends. Jean jackets and spandex leggings, big hair, bangles, leg warmers, and ripped jeans will be all the rage at this rocking night of mystery.*
