Principal**

January 7, 2019

Dear Wood Park Families,

To celebrate the conclusion of this year's Partners in Reading Program (PIR), Wood Park will be holding its annual Family Literacy Night.

Our celebration will take place on **Thursday, January, 24th**. The evening will begin at 6:15 p.m. and conclude around 8:15 p.m. This special event, which is run by the Wood Park staff and PTA, will consist of a special performance by Kerboom Kids as well as time for sharing some special reading time with your child and an opportunity to visit the Wood Park Book Fair. Due to space limitations, this event will be open to **current Wood Park students only**. ***Please do not bring siblings who are not Wood Park students to this event. Your cooperation is greatly appreciated!***

We suggest that you have your child dress like a Rock Star Reader at Literacy Night. In addition, we ask that you bring in a few of your family's favorite books to share and a small blanket or beach towel to sit on.

If you plan on attending Literacy Night, please complete and return the form below by **Thursday, January 17th**. You will receive a confirmation letter with further details and instructions before this event takes place.

We look forward to sharing this evening with you!

Sincerely,
The PIR Committee

"Rockin' Readers" Literacy Night RSVP – Due Thursday, January 17th!

Child's first and last name: _____

Classroom teacher: _____ **# of adults attending:** _____

List the names of any Wood Park siblings from another class who will also attend.
