

Dear Wood Park Families,

During the next few weeks the students and faculty at Wood Park will be participating in Pennies for Patients. The Pennies for Patients campaign benefits the Leukemia and Lymphoma Society. By participating, not only will students learn about making an impact, but about leadership, teamwork, philanthropy and what "doing good" for others can mean. Students and faculty will be collecting pennies, nickels, dimes and quarters. A large box will be placed in the hallway for each grade level, as well as in the Main Lobby and each individual classroom. At the end of the month members of the Little Leaders Committee will be working together to count the change our Wood Park family has collected. Last year we collected a total of \$326.96! We are excited to be making a difference and look forward to working together for a great cause.

Thank you for your support!

Emily Esposito

The Character Education Committee
