Dear Parents/Guardians:

In the interest of keeping our students safe and healthy, please review the following information.

Platform shoes, as well as slides, “cros” and flip flops, have become very popular choices in footwear. Although these shoes are very fashionable, they can pose a danger to children engaged in active play, and compromise their balance and coordination.

Sneakers are definitely the preferred footwear for school. However, if your child should wish to wear another type of shoe to school, please be sure to pack sneakers in his/her backpack as well. **Please be aware that students must wear sneakers in order to participate in physical education class and recess activities.**

In addition, please be sure that your child wears appropriate seasonal outerwear to feel comfortable during outdoor play.

We appreciate your cooperation.

Sincerely,

Jessica Santarpia
