**Men, Women and Kids SOUGHT TO PARTICIPATE IN HEAD-SHAVING EVENTS NATIONWIDE TO RAISE FUNDS FOR CHILDHOOD CANCER RESEARCH  
MARCH 1 at COMMACK HIGH SCHOOL**

*Volunteers baldly stand in solidarity with the 160,000 kids diagnosed with cancer each year while raising money to fund pediatric cancer research*

The St. Baldrick's Foundation, a nonprofit organization dedicated to raising money to fund the most promising research to find cures for childhood cancers and give survivors long and healthy lives, has issued a lofty challenge to everyone who wants to help raise money for pediatric cancer research: Be a hero for kids with cancer by shaving your head in return for pledges of financial support from friends and family.

**Hamilton Tickets Raffle-May 1, 2019 (\$10 per entry) We're helping to raise money for childhood cancer research**

*Beginning now, enter our raffle for a chance to win 2 tickets to Hamilton Musical on May 1, 2019 at 8:00pm!! Each \$10 donation will give you one chance at winning. You may enter as many times as you like. Please be sure to include both your preferred phone number and email address at the time you make your donation to ensure we are able to contact you if you win. Your donation will go towards lifesaving childhood cancer research grants. We can't do this without you!!*

Participants find that shaving their head in solidarity with the approximately 160,000 children who are diagnosed with cancer each year and frequently lose their hair as a result of treatment, is a small sacrifice in comparison to what these children endure.

On March 1, 2019, we invite all parents, students, community members, and faculty to join us in our efforts shave their heads to help *Conquer Kids' Cancer!* The event will be held locally at Commack High School. The head shavings will commence at 3:00 PM.

Last year, at our 9th event, we raised over \$52,000 to help Conquer Kids' Cancer, over 20 million dollars were raised nationally! Over the 9 years that we have been doing this event, Commack has raised over \$650,000!

**About the St. Baldrick's Foundation**

The St. Baldrick's Foundation makes grants to research institutions to find new cures for childhood cancer, and to find treatments to ensure a better quality of life for patients and survivors. The Foundation funds research projects conducted by established pediatric cancer experts, as well as younger professionals who will be the experts of tomorrow. Funds also enable hundreds of local institutions to participate in national pediatric cancer clinical trials, offering the best available care for every child. The St. Baldrick's Foundation is grateful to its many volunteers (bald or not!), donors and sponsors, including Allied World, Barbicide, Dowling & Partners, elope, Markit, and PartnerRe.
