## Lines of Communication

### **Who do I go to first with my concerns?**

Our most effective tool in providing our students with an optimal learning environment is the establishment of an effective and ongoing communication system between parent and teacher. Should any concerns or questions arise regarding academic or behavioral needs and/or practices within the classroom, please contact the teacher first.

### **Who do I contact if the matter is still not resolved?**

If your child is in kindergarten through fifth grade, please contact the building principal for help. For students in grades six through twelve, please contact your child's guidance counselor before contacting an assistant principal or the principal.

### **What if I need further assistance?**

Most student issues should be addressed at the building level. If you feel that you need further help however, please contact the Superintendent's office after you have first proceeded through the steps above. The Superintendent will review the issue with the appropriate Assistant Superintendent, who will work to resolve the matter.

**SUPERINTENDENT**
