January 25, 2019

Dear Parents/Guardians:

During the week of February 25, we will be celebrating Nutrition Week at Mandracchia-Sawmill Intermediate School. Throughout the week, we will offer the students various experiences so they become familiar with making healthy choices for healthy living.

On Wednesday, February 27, we will host our Annual Wellness Day. Guest speakers will present information about the importance of health and wellness to the students.

Thank you.

Sincerely,

*Michelle Tancredi-Zott*
