November 5, 2018

Dear Parents/Guardians:

I hope this letter finds you well. As we enter our third month of school, I wanted to ask for your help and support regarding a few safety items.

- Please do not block the crosswalks in the front of the building. They are located at McCulloch Drive/Dexter Place and at the exit of the bus circle. These walkways need to be kept clear for all students, staff and families.
- Please do not walk through the bus circle especially during arrival and dismissal. It is not safe to walk between parked buses as these buses load, unload and pull out of spots.
- Vehicles are not permitted to enter or leave the circle in front of our building when buses and vans are present.

In addition, please note that it is unlawful for motorists to pass a stopped school bus with red lights flashing and the stop sign extended from the driver's side of the bus. Please keep in mind that parking is not permitted in front of the building at the yellow painted curb during school hours.

We appreciate your understanding that the parking lot is reserved for members of the staff. We recommend that visitors to our building park on McCulloch Drive or in the visitors' parking spaces located in the front of the building.

Thank you in advance for helping to ensure the safety of the students, staff and families at Rolling Hills. If you have any questions, please don't hesitate to contact me.

Sincerely,

Jessica Santarpia
Principal
