

**COMMACK UNION FREE SCHOOL DISTRICT**  
**REGISTRATION DOCUMENTS**

VERIFICATION OF AGE

When available, an original or certified birth certificate or record of baptism (including a certified transcript of a foreign birth certificate of record of baptism) giving the date of birth will be used to determine a child's age. If either of these documents is available, the District will not require any other document to determine a child's age. If these documents are not available, a passport (including a foreign passport) may be used to determine a child's age. If a passport is not available, the District will consider other documentary or recorded evidence in existence for at least two years to determine a child's age. Other evidence may include, but not be limited to, the following:

- (1) Official driver's license;
- (2) State or other government-issued identification;
- (3) School photo identification with date of birth
- (4) Consulate identification card;
- (5) Hospital or health records;
- (6) Military dependent identification card;
- (7) Documents issued by federal, State or local agencies (e.g., local social service agency, federal Office of Refugee Resettlement);
- (8) Court orders or other court-issued documents;
- (9) Native American tribal document; or
- (10) Records from non-profit international aid agencies and voluntary agencies.

If the above documents originate from a foreign country, the District may request verification for the appropriate foreign government or agency. The verification will not delay enrollment.
