

Math Folder

Students will be given two school nights to do the following:

- 1) Obtain a parent/guardian signature on the test / quiz.
- 2) Complete a correction sheet with a parent/guardian signature on it.

The folder with:

- 1) *the signed assessment and*
- 2) *the signed correction sheet*

counts as a homework assignment.

If the folder is returned with all requirements met, 2 points will be earned. If the folder is late or the requirements are not met, 0 points will be earned.

Note:

All signed tests and quizzes as well as the signed correction sheets should remain in the folder until the end of each quarter. At the end of the quarter all contents of the folder should be left at home in a safe place. These assessments can be used as a resource to help study for the final exam in June.
