Chapter # test or quiz (ex. Chapter 1 quiz)

**Left side:**

Redo question(s) correctly. If true/false, or multiple choice, or matching type questions - write out the sentence and write out the correct answer (do not just write the words true or false or a letter to represent the answer)

**Right side:**

Explain in words what you did wrong or did not understand about the question(s).

*Please know that I am available during extra help to assist with any and all corrections.*

Note:

All signed tests and quizzes as well as the signed correction sheets should remain in the folder until the end of each quarter. At the end of the quarter all contents of folder should be left at home in a safe place. These assessments can be used as a resource to help study for the final exam.
