

2021-2022

Dear Parents,

It's that time again! Every year at this time we ask you, and any adults in your household, to join Commack SEPTA. For our newcomers, we would like to introduce SEPTA to you. SEPTA stands for "Special Education Parent Teachers Association". We are a district wide PTA whose primary function is to act both as an advocacy and support group for children with special needs, their families and teachers. Even if you don't have children receiving services, please join to help us promote disabilities awareness district wide and our other advocacy efforts.

If your child receives speech, counseling, resource room, reading, occupational therapy, physical therapy or if your child is in a special education class, inclusion class or out of district placement, you need to be a member of SEPTA.

Your membership and support makes SEPTA programs possible including, but not limited to, Parent Support Groups, Disabilities Awareness, SEPTA College Scholarships, and other recognition events for our school district children.

We encourage you to join and become an active member of Commack SEPTA. Memberships are now processed online. Once you join, you will be able to download and print your electronic membership card. You can join online at: <https://commacksepta.memberhub.store>. If you would prefer to join by mail below is our membership form that should be mailed to Commack Middle School c/o SEPTA.

Thank you in advance for your support and remember - SEPTA is here for YOU!

Sincerely,

Christine Marine
SEPTA President
