Andrea M. Allen, *Assistant Principal*
Nicole Kregler, *Director of Counseling*

March 14, 2023

Dear Parents/Guardians of Sophomores,

As the spring begins, we wanted to share some important dates and events for sophomores as they relate to post-secondary planning.

Commack High School will host **Sophomore College Planning Night** on Tuesday, April 18th, at 7:00pm. This presentation will focus on the “first steps” in navigating the college process. The presentation will be in-person at Commack High School, and both students and their families are encouraged to attend.

On Saturday, April 29th, at 8:00am, the Counseling Center will offer all sophomores the option to take the **Pre-ACT** at Commack High School.

The Pre-ACT provides students with a realistic ACT test experience and helps them to predict how they will perform on the ACT after an additional year of learning and preparation. The Pre-ACT includes multiple-choice questions in English, Reading, Math, and Science. Your child’s scores will reveal his/her current knowledge and skills in each area and will provide targeted areas to improve upon.

Registration for the Pre-ACT is now open and will close on April 21st. To register, please click the following link, complete the Pre-ACT Registration Form, and select “Submit.” [Click here to register for the exam.](#) More information will be sent to registered students and their families in April.

ACT Academy is a free resource provided by ACT for students to receive personalized test preparation resources, videos, games and lesson plans. Students will also have access to an additional practice test. [Click here to create a student account.](#)

Please do not hesitate to contact the Counseling Center with any questions.

Sincerely,

Nicole Kregler

Nicole Kregler
Director of Counseling
