Dear Current Third-Grade Parents and Guardians,

Congratulations on joining the instrumental music program! The Commack School District Music Department invites you to participate in the [Commack Summer Music Camp](#), which is available to our current third-grade students beginning an instrument.

The Commack Summer Music Camp will be held from **Monday, July 29th, through Thursday, August 22nd, at Commack Middle School**. The camp involves learning within a small group instructional model, also known as a music lesson. Music lessons will be 30 minutes in length each day, four days per week (Monday through Thursday), for four consecutive weeks (16 total music lessons). **Music lesson groups will be created by scheduling students on the same instrument. Therefore, please keep 8:30 a.m. to 12:30 p.m. available on the dates provided until an official schedule is created and shared with you.** You will be notified of your child's scheduled lesson time via the email address you provide by **Friday, May 24th**. **Please note that there will not be a nurse on site. However, within the district, a nurse will be available if necessary.**

To attend and pay the \$160 registration fee, please complete all information in [SCHOOL PAY](#) by **Friday, May 3rd**. Students who play the Flute, Clarinet, Alto Saxophone, Trumpet, Percussion, and Violin are required to provide their own instrument (you may consider renting from a local music store). Students who play the Trombone, Euphonium, Viola, Cello, and Bass will have the option to rent a school instrument. Instrument rental information will be available before the end of the school year. **While the School Pay convenience fee is non-refundable if requesting a refund, the deadline to request a refund for the Summer Music Camp is Friday, May 31st.**

Please contact your child's music teacher or email summermusiccamp@commack.k12.ny.us if you have any questions. If your child does not participate in the Summer Music Camp, your child's music teacher will provide more details regarding the [ensemble programs](#) in September. We look forward to seeing and hearing many of our new student musicians this summer!

Sincerely,

Mark Stuckey
