SEPTEMBER 11TH

Please be a part of our Memorial as we remember all the victims of 9/11**

This year's special event will be dedicated to Commack's Hero

Mr. John Feal

FealGood Foundation President & Founder

John, a Commack HS Graduate, was a 9/11 Responder who lost half of his foot in a horrific incident at Ground Zero. His personal tragedy did not deter him, but only motivated him. He founded the FealGood Foundation with One mission; to ensure no other 9/11 Hero suffered as he did with massive medical bills and personal trauma. John also founded the 9/11 Responders Park and FGF_OnE. The original Foundation worked intimately, and with great determination, with members of US Congress to aid in the passing of 'US 111th Congress James Zadroga Act' to deliver much needed Health & Compensation to 9/11 Responders. John's battles in Congress continue to this day for the good of those sick and dying from 9/11-Related ailments. John is also a Kidney Donor, holds an Honorary Doctorate from Quinnipiac University and received the 'NYS Congressional Medal Of Honor for Civilians Above & Beyond'.
