Dear Parents or Guardians of Juniors and Seniors,

On Thursday, March 5, 2020, Commack High School will administer the Armed Services Vocational Aptitude Battery test (ASVAB). The ASVAB test is an excellent tool for assisting students in clarifying their abilities or interests and then matching these abilities or interests with possible career choices. While this test is useful to students considering a military career, this information can also be used to help all students make informed career choices.

Please be advised that if you want the results of this exam to be shared with an Armed Services Recruiter, you must sign and return the permission form on page 2.

If you do not want your scores shared or reviewed with a recruiter, but do want to discuss test results with your counselor, please do not fill out the permission form. Armed Services Recruiters will only contact students who wish to meet and review their scores and possible military careers.

We will give the ASVAB test in Computer Lab 6 on Thursday, March 5, 2020 from 7:30 a.m. to 11:25 a.m. If you are interested in participating in this worthwhile career exploration, please complete the field trip form on page 3 and **return it to Ms. Sciacca in the Counseling Center no later than March 3rd.** Students must have their Period 1-5 teachers and a parent sign this form.

Sincerely,

Jim DelGiudice
