

# Back to School: ♥

Dear Student and Family,

Welcome to first grade! I hope this letter finds you relaxed and refreshed from a lovely summer. Mine was a combination of work and play. I was eagerly preparing for the upcoming school year and all of the wonderful experiences that you will be involved with in first grade.

I am very excited to get started working together for a great learning year. Enjoy the rest of the summer with your wonderful families and keep reading together!!!

Sincerely,  
Ms. Cynthia Martello
