Legislative Advocacy Committee Updates

The Legislative Advocacy Committee (LAC) is reforming our community membership. If you are interested in becoming a member of the LAC, there will be a form on the district website whereby you can apply to be a member of the committee. If you have questions regarding the committee, please email Leslie Boritz at lboritz@commack.k12.ny.us.

The LAC was established to assist the Board of Education in implementing solutions regarding legislative matters. The committee is charged with effectively communicating Commack's needs to our local, state, and federal elected representatives

The Legislative Advocacy Committee is comprised of the Superintendent of Schools, Board of Education members, Commack residents, High School students, Commack staff, members from the collective bargaining units and community members.

Multicultural Committee Update

On Saturday, May 14, 2022, the District Multicultural Committee hosted a student led day of fun, games, arts and crafts, music, and dance for our primary and intermediate students on the turf at Commack High School.

Secondary students volunteered to create memorable K-12 experiences, sharing culture, traditions, and fun while bonding with our elementary friends.

***640 participants
representing 180
families and
approximately 120
student helpers
enjoyed the festival!***
