Testing Guidance from Suffolk County Department of Health

Per Suffolk County Department of Health Guidance:

Quarantine (for Individuals who are exposed to someone with COVID-19)

- Unvaccinated students, teachers, and staff who have been exposed to someone with COVID-19 **MUST** quarantine for 5 days after their last close contact.
- **In-classroom activities:** All fully vaccinated individuals (students, teachers, and staff) who have been exposed to an individual with COVID-19 may continue to attend or work at school, regardless of booster status.
- **Extracurricular or after school activities:** Individuals 12 years and older who are eligible for a booster but not boosted, and who have been exposed to an individual with COVID-19 cannot participate in extracurricular or after-school activities. These students may attend their classes for instruction, utilize bus transportation and resume extracurricular activities upon completion of a five (5) day quarantine.

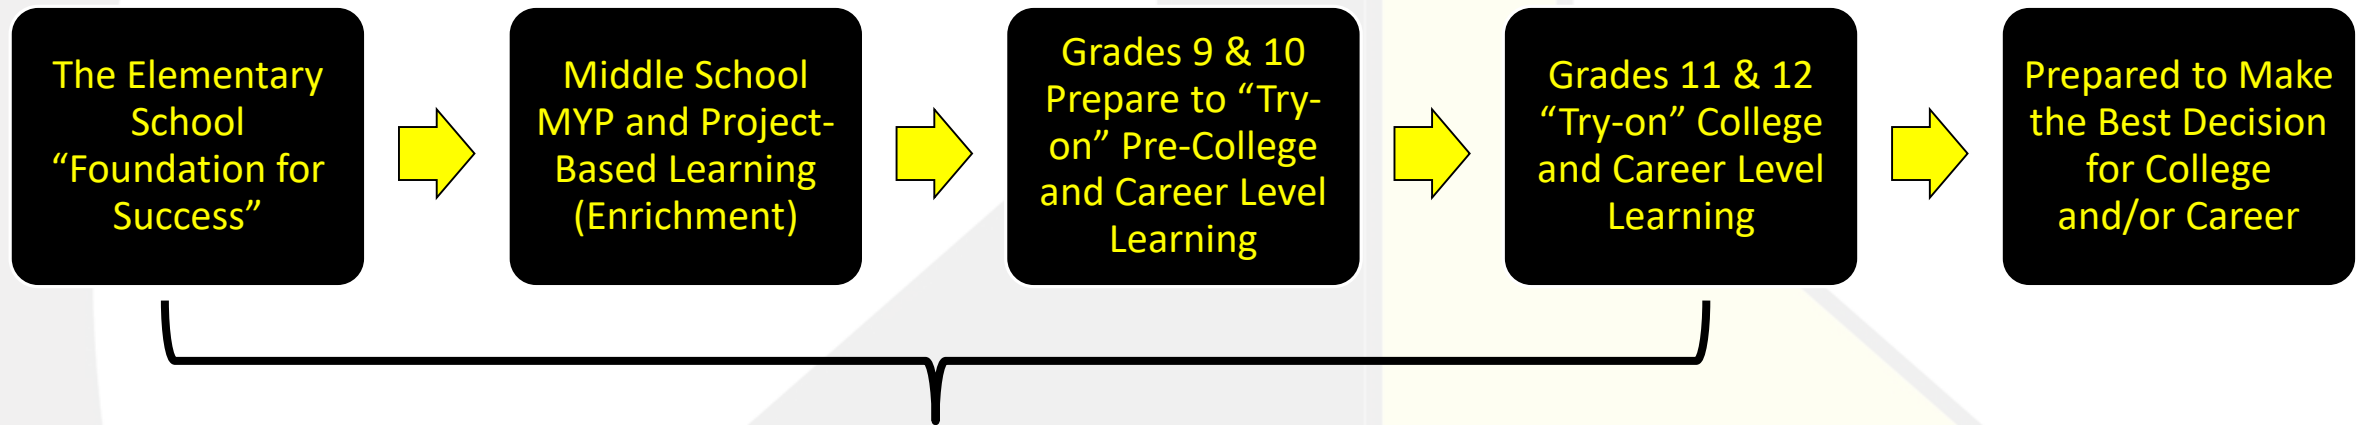

Isolation

- Individuals who test positive for COVID-19 will be required to isolate for a minimum of 5 days (regardless of vaccination status). If symptoms persist, further isolation will be required; otherwise, they may attend or work at school after the 5-day isolation.

Legislative Advocacy

We welcomed Assemblyman Brown to the Legislative Advocacy Committee meeting on Tuesday, January 4, 2022.

Assemblyman Brown shared how he came to be an elected official and the work his office is currently engaged in.. Additionally, Assemblyman Brown listened to the committee's platforms for Mental Health and School Funding and provided feedback to the students as they continually look to grow in their advocacy for all students in Commack.

Our next meeting is scheduled for Tuesday, January 18, 2022, at 6 pm where students will be finalizing their platforms.

Multicultural Committee

Throughout the K-12 continuum, the committee will review:

- **Multicultural Authentic Learning Programs:** Provide our students, staff, and families with authentic experiences that celebrate the culture of others.
 - *Informal cultural connections with students from other countries or communities.*
- **Programs Designed to Provide Respectful Feedback:** Increase trust and build character traits of a 21st-century learner.
 - *Build off the Learner Profile to explore positive character traits K-12.*
- **Effective Communication Programs:** Explore the importance and impact of empathy, learn tools to improve how you engage with others, and promote caring and belonging amongst all members of our school community.
 - *Survey Principals, Directors, and Teachers to further learn about existing multicultural authentic learning programs.*

Update: We are currently working with our school communities to add student membership.

Our Next Committee Meeting is on Tuesday, January 25, 2022
