

SCHOLASTIC BOOK FAIR!

Coming Soon!

Dear Rolling Hills Families,

We're excited for our upcoming Scholastic Book Fair. This event is hosted by the PTA, and is an opportunity for students of all ages to build their home libraries and further their love of reading. As always, all purchases benefit our school.

After missing out on many beloved traditions, our fall Book Fair will be a familiar, welcome and safe event for our students. Here's what you need to know about the Fair, which will take place outdoors during the school day from October 20th through October 22nd at Rolling Hills Primary School.

Our Book Fair offers a cash-free payment option called eWallet if you prefer not to send cash to school with your child. It's a convenient digital account that your child can use for shopping at our Fair. Please send a note with your child if you are using this option so our volunteers at the Fair are aware. Grandparents, friends, and others can contribute, too!

If you prefer to shop online at our school's Virtual Book Fair, all orders will ship directly to your home, and shipping is free for book orders over \$25. Your online orders will also benefit our school.

Please see the dates below for your child's specific day of shopping so you can send your child to school with money in an envelope labeled Book Fair. Our PTA volunteers will assist students with shopping.

Visit our Book Fair homepage to learn more and get started with eWallet and online shopping. Online shopping will be available during October 18th through the 31st. Here is the link for online shopping:

We're excited to celebrate our love of books together at the Book Fair. We look forward to seeing your child there!

Happy Reading,

Rolling Hills Primary School PTA
