August 2022

To Our Students and Families,

Welcome back! I hope this letter finds you healthy and enjoying a restful summer! The administration, faculty and staff at Commack High School are all excited to begin a new year full of opportunities to reconnect, rediscover and reengage ourselves in our learning and school community. Our first day of school will be **Tuesday, September 6th**.

We would like to invite all of our Commack High School students and their families to the building for open tour hours. During this time, students can follow their schedule, navigate the building and open their lockers. This time is self-directed and students and families may come and go as they please. The opportunities for building access will be:

Monday, August 29th – 10:00 am-2:00 pm

Tuesday, August 30th – 10:00 am- 2:00pm

Additionally, we are very excited to welcome students back by hosting grade level assemblies for all students during the first few weeks of school. At these assemblies, staff members and students will discuss ways to get involved at Commack High School, procedures, expectations and provide time for students to meet in small groups with their School Counselor. More information will be sent home regarding these presentations as we get closer.

Please know that the administration, faculty and staff stand ready to assist our students and families throughout this year and look forward to reconnecting as we start the 2022-2023 school year. **Student schedules will be available on the Infinite Campus Parent Portal on August 25, 2022 at 12:00 pm.** If you have any questions or concerns, please call the High School Main Office at 631-912-2100, or your child's School Counselor.

Enjoy the remaining days of summer and I look forward to welcoming you all back on the first day of school, **Tuesday, September 6th**.

Respectfully,

Carrie Lipenholtz
Principal
