1. Adoption of Minutes from November 4, 2015

- The minutes from the November 4, 2015 meeting were unanimously adopted.

2. Old Business:

- Anthony Davidson spoke about the Google Parent Academy which is scheduled for December 16th. It was shared that the purpose is to teach parents how to use the technology.
- The Middle School Carnival will be held on January 15, 2016. No suggestions were made.
- Skyzone was a successful 7th grade event with over 86 students in attendance. A great time was had by all.

3. New Business:

- There was a concern expressed about announcements being heard in the classroom. SBMT decided a building wide initiative was unnecessary and will look into seeing if teachers experience a similar issue.
- A middle school community Facebook page was discussed. It will be created and monitored by the PTA. It will strictly be used to announce upcoming events to parents and staff.
- The 3 R's staff appreciation survey will be sent out to the community by Anthony Davidson. The responses will be used to generate a letter to place in the teacher's mailboxes when they return from the holiday break.
