

COMMACK MIDDLE SCHOOL PTA

Dear CMS Families,

August 2022

As the CMS PTA president for the coming year, I hope that you will turn once again to our organization for support, feedback and suggestions as we help students continue to navigate through these times.

Today, the PTA's mission is more relevant than ever: We are a powerful voice for all children, a relevant resource for families and communities, and a strong advocate for the education and well-being of every child.

In the coming year, our goal is to rethink how we build a sense of community for every student at the Commack Middle School and how we continue to deliver unique and fun experiences in a semi-socially distant world. We welcome your suggestions and your feedback on how we can support your work in the schools.

The CMS PTA is made up of several dedicated volunteers who are focused on working with school staff and administration to create the best experience for your child this school year given the present circumstances.
