Dear Primary Families,

We are excited that our Chromebooks have arrived! As you know, these Chromebooks will be utilized both in school and at home. Please be reminded of the following:

- Chromebooks and chargers need to be kept in your child's backpack and transported to and from school daily (this is so we are prepared in the event we need to switch to Remote Learning).
- Chromebooks need to be charged at home each night.
- Teachers will be using the Chromebooks in class and helping the students become proficient in using Google Classroom.
- Chromebooks may be used at home for reinforcement work planned by the classroom teacher.
- Chromebook cases are coming soon, however, we ask that students keep the Chromebook inside the Ziploc bag when it is not in use.
- Please complete the slip below indicating if you have changed your child's password from their school issued password (this information is needed so we can be sure your child can log on in school as well as home).

Sincerely,

The Commack Primary School Principals

Michelle Collision, Katherine Rihm, Jessica Santarpia, Brian Simpson
