April 2019

Dear Parents:

The annual district-wide second grade Cognitive Ability Test (COGAT) is scheduled to be administered as follows:

Tuesday,	April 9, 2019	Session 1
Wednesday,	April 10, 2019	Session 2
Thursday,	April 11, 2019	Session 3

This test measures abstract thinking, reasoning ability and information about your child's abilities in a school setting.

As parents, you can be helpful by encouraging your children to take a positive attitude toward these tests. However, parents should be mindful that undue pressure on children can have a negative impact on performance.

Children should come to school well rested, having had a good breakfast and in good health. It would be helpful if your child brought #2 pencils with erasers to school.

The test will begin at 9:30 a.m. each day. It is imperative that all students arrive at school on time.

Thank you for your cooperation.

Sincerely,

Michelle Collison
