

## The Digital SAT® is Coming!

Make sure you know what to expect when the new version of the SAT makes its debut! Whether you are planning to prepare for the paper & pencil version or getting ready for the new Digital SAT, The Princeton Review has you covered.

The Digital SAT will be available to U.S. students starting Spring 2024.

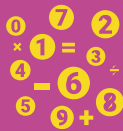

The Digital SAT will be closer to 2 hours instead of 3 hours.

Schools and designated testing centers will administer the Digital SAT.

Tests will be unique for each student.

Calculators will be allowed for ALL math sections.

The same 1600-point scale will be used for scoring the Digital SAT.
