

COMMACK SCHOOL DISTRICT
Commack, New York 11725

Dear Parents/Guardians:

As per New York State guidelines, schools are required to schedule the following safety drills during the school year.

- 12 Evacuation Drills (“Fire Drills”)
- 4 Lockdown Drills
- 2 Sheltering Drills
- 1 Off-Site Evacuation Drill (Primary Schools only)
- 3 Bus Drills

Please be assured that all members of our staff explain the specifics of each of these drills to our students in an age appropriate manner.

In addition, each Elementary School has a Plan for Dismissal of Students during a Public Emergency as well as student Early Dismissal and Emergency Contact cards on file. For the safety of all students and adults, please be sure to follow the directions of the members of the staff, the security guards and/or first responders during all drills and /or emergency situations.

It is imperative that parents access their Infinite Campus account and continually update the information through the Parent Portal.

As a reminder, please be prepared to present photo ID each time you visit the school and pick up children under any circumstances.

Sincerely,

Brian Simpson
Principal, Indian Hollow Primary School

Jessica Santarpia
Principal, Rolling Hills Primary School

Amy Ryan
Interim Principal, Burr Intermediate School

Katherine Rihm
Principal, North Ridge Primary School

Michelle Collison
Principal, Wood Park Primary School

Michelle Tancredi-Zott
Principal, Mandracchia Sawmill
Intermediate School
