May 2024

Dear Rolling Hills Families,

It is hard to believe the end of the year is approaching! This year our Primary Field Day events will be held by grade level on June 6, 2024 with a rain date of June 13, 2024. A schedule of grade level events can be found below. These events will be held on the field. In addition to these field events, students will enjoy an Arts in Education show during the day. This year we will also have Opening Ceremonies, Gagaball and Carnival Games, compliments of Driftwood Day Camp.

**Field Day is a regular school day for all students. We strongly encourage students to remain for the full day of school as there are activities and events planned throughout the day in celebration of Field Day! The cafeteria will be open for our regular lunch schedules. Please refer to the Commack website and follow our regular lunch ordering procedures.**

The Rolling Hills PTA will be providing all of our students with lemon flavored ices from Whitsons. A list of ingredients can be found below. **In order for your child to receive an ice, the attached slip must be filled out and returned by Wednesday, May 22nd.** In addition to ices, the PTA is generously purchasing a Field Day shirt for each child. It will be sent home prior to Field Day and each class is assigned a specific color.

All guests attending our grade level field activities will be asked to follow the procedures below and have **photo ID**:

- Guests should park on the street (please pay careful attention to the *NO Parking* signs located on McCulloch Drive in front of Rolling Hills) and enter through the black gates located at the far end of the parking lot.
- Guests will be checked in by Commack Security at the **front entrance to the field**. Please enter the back of the building through the gates at the end of the parking lot.
- Fields will have clearly marked spots for families/spectators to stand (if you would like to bring a lawn chair please feel free to do so as chairs will not be provided).
- All playground areas are **closed** during Field Day, so please refrain from having younger siblings in these areas.
