All Participants

As of today, the NTHS has posted well over 50 different opportunities to earn service points. These opportunities have occurred during and after school.

A significant number of members & participants have not achieved the required number of points to attend the Ceremony.

Existing members, or prospective members who do not meet the minimum service requirements prior to ceremony will not be invited to the Ceremony.

Members

Must obtain 10 points by June 1st
but 7 points must be obtained to attend the Ceremony.

If you 'work' at the Ceremony, you can earn up to 3 points or if you bring a food item(s) to the Ceremony you can earn up to 2 points.
(Depends on contribution)

You must earn the remaining 3 points by
June 1st to earn your honor cord.

Applicants

Must obtain 5 points by
Friday, March 27, 2020 to attend the Ceremony.

Applicants who are Seniors must obtain 5 points on or by
Friday, March 27, 2020 to attend the Ceremony.
And earn your honor cord.

Participation

The last date for members and applicants to earn the required service points to attend the Ceremony is the end of the school day on or by Friday, March 27, 2020.

If you haven't obtained your points by this date, you will not be invited to the Ceremony.

You will receive a letter confirming your status.

Participation

The NTHS will **not** “create” last-minute service opportunities, extend deadlines, nor permit masses of students to over register for service events just to obtain points.
