

**INDIAN HOLLOW PTA
MEMBERSHIP DRIVE 2018-2019**

Our membership drive is now in progress! Please support Indian Hollow by joining the PTA. The home-school connection is important in helping your children adjust to the primary grades and fully benefiting from their school experiences. Indian Hollow's PTA serves as a forum where parents, teachers, and administrators, discuss ways to:

- Promote and enhance a quality education
- Strive to expand the arts through programs and hands on learning
- Encourage parental involvement
- Work for a healthy school environment and safe neighborhoods

PTA Membership dues are \$8.50 for each individual member. About half of that cost goes to the State and National PTA dues. Our local unit retains the rest.

The Sunshine Fund is dedicated to show love and support to the Indian Hollow community. Monies from the Sunshine Fund are used for condolences, well wishes and to help families in need.

The Scholarship Donation will be forwarded to a fund benefitting graduating high school students. Someday our children will be those young adults (quicker than we can imagine).

This year you can choose to join online using your credit card. Follow the link on this page: <https://nyspta.force.com/UnitLookup>. Select "School" in the drop down box; type "Indian Hollow"; and click "Search." Then, click "Register" and "+Add Member" to input your information and proceed to payment

(PLEASE NOTE that donations to the scholarship fund and sunshine fund can NOT be done online and need to be submitted via the form below).

Please return this form along with a check made payable to Indian Hollow PTA in an envelope marked PTA Membership Committee.
