December 2022

Dear Parents/Guardians of Juniors:

As a follow up to Junior College Night on December 12th, the Counseling Center would like to provide the opportunity for students and families to have individual and personal meetings with their school counselor, focused on post-secondary planning. We are quickly approaching the time for your child to make important decisions about his/her post-high school plans. To assist your family in preparing and planning, you and your child are invited to meet with his/her counselor at a mutually agreed upon time for a Junior Planning Conference. These meetings will be in person, unless a parent/guardian requests a virtual meeting.

During this conference, your child's counselor will discuss the college search process, career options and the five components of a college application. Students and parents will learn about the high school transcript, standardized testing, the college essay, resume and letters of recommendation.

We look forward to hearing from you. Please call the Counseling Center at 912-2121 and speak with an office professional to schedule your appointment.

Sincerely,

Nicole Kregler
