Dear Parents of Seniors:

Enclosed please find the senior awards opportunities that are made available to your child and are presented during the Senior Awards Night in June. These awards are provided by the generosity of the Commack community (alumni, community residents, staff, etc.). Only Commack High School Seniors are eligible to receive these awards/scholarships and we encourage all seniors to take advantage of these wonderful opportunities.

Please Note:

- The criteria for each award/scholarship is described in the attached bulletin. As the requirements are different for each award/scholarship, there are many opportunities for our seniors to receive an award. Please note that not all are based on grades or standardized test scores.
- All applications are available on the Counseling Center website under "Scholarships/Senior Awards." Please make special note of the **specific deadline dates** listed at the top of each page and on each application.
- Please routinely check the Counseling Center's Scholarship/Senior Award website for additional opportunities, which may become available throughout the early spring.

Please ensure all applications are signed by a parent or guardian. The Counseling Center will provide the transcripts, scores and letters of recommendation that are required.

We look forward to processing your applications. If you have any questions please contact Marilyn Shoemaker in the Counseling Center at 631-912-2121 or by email CHSScholarships@commack.k12.ny.us.

Sincerely,

Director of Counseling
