## STUDENT VOLUNTEER OPPORTUNITIES

### Walk Team Captain

Being a Walk Team Captain provides a way to show your leadership skills while fundraising and taking action with classmates, friends & family. Come together on walk day to celebrate!

### Get your Club Involved

School clubs are a great way to spread awareness to a large group, while together helping the IBD community raise funds for critical medical research.

### Event Volunteer

Give the gift of your time by helping us put this impactful Walk event together.

Take Steps is the Crohn's & Colitis Foundation's largest fundraiser, helping to achieve a world free of Crohn's disease & Ulcerative Colitis. We need *your* help to get there.

**Please reach out to our Long Island Chapter to hear more about our volunteer opportunities**
