May 15, 2023

Dear Second Grade Parents,

It is hard to believe that June is around the corner and we are planning our Second Grade Moving Up! Our Rolling Hills Moving Up Ceremony will be held on Thursday, June 22, 2023 at 10:00AM. Our Moving Up Ceremony will be held indoors in the gymnasium. A special thank you in advance to our Rolling Hills Moving Up Committee for all of their hard work and preparation for the day!

All guests should park on the street (please pay careful attention to *NO Parking* signs located on McCulloch Drive in front of Rolling Hills) and enter through the staff doors closest to the gymnasium. Please inform the Main Office by June 19th if you need to reserve a handicapped parking space. Security and Rolling Hills staff members will be present to check IDs and take your tickets prior to entering the building. The doors will open at 9:40AM. We will be limiting the number of guests per student to three due to capacity limitations. The three tickets are enclosed. We ask you to please send back any unwanted tickets in the envelope provided if you do not need all three. If you are hoping to get more tickets, they will be on a first come, first serve basis. Please email jonalilla@commack.k12.ny.us if you would like to be added to the list if more tickets become available. You will receive an email back by June 16th if we are able to distribute additional tickets.

Following the ceremony, parents and all second graders are invited to join members of the Rolling Hills staff for warm wishes and photo opportunities. Refreshments will be provided by the Rolling Hills PTA for all second grade students.

Once the ceremony and celebration has ended, your child will return to class to complete the rest of the half day which concludes at 12:00PM and walker line at 11:45AM. If you choose to take your child home early following the ceremony, we have included a permission slip for you to complete and return. You must also see your child's classroom teacher in the reception area prior to leaving.

It has been a pleasure working with the second grade students and families this year. We wish you all the best! Have a wonderful summer!

All my best,
Jessica Santarpia
