

Dear North Ridge Families,

On behalf of the North Ridge Primary School PTA, I would like to take this opportunity to say a big welcome back to all our returning families and a super warm welcome to all our incoming families. I am honored to serve as your PTA president and very much looking forward to an exciting school year together!

The North Ridge PTA is committed to supporting the hard-working faculty in their efforts to make a difference in the education and well-being of our children. We work closely and collaboratively with the staff to bring exciting and engaging supplementary activities and events to the students. We have a ton of exciting things planned for the 2023-24 school year!

Please consider joining our welcoming, thriving, and friendly PTA. There are countless benefits to joining. PTA assists in the link between school and home for both the children as well as the parents. Your dues go to support supplemental programs such as field trips, shows, fun day activities, as well as the local and state PTA educational advocacy. Membership is required to chair committees and to be a class parent. PTA meeting attendance is not required but is encouraged and attending is a great opportunity to learn about all the amazing things that happen in the school, the district, and the community. Also, you will hear from Mrs. Rihm and the teacher representatives about North Ridge and district happenings. Being involved on any level, big or small, in your child's school is a rewarding experience for you and your child.

Thank you for your support and please feel free to reach out to me with any questions. Wishing you all a wonderful school year. North Ridge truly is... a Very Fine Place!

Warm Regards,
