March 14, 2024

Dear Elementary Families:

At this time of year, classroom teachers, building support staff and principals at each of our buildings are working together to begin planning classes for the 2024-2025 school year that promote positive social and academic growth for all of our students.

If you would like to share information that will be helpful in the placement process, we kindly ask that parents of students entering grades **kindergarten through fifth** grade, please complete the *Google Form* (<https://forms.gle/VW5U9WqV5autVGFD9>) by Friday, April 19, 2024. Please note, *specific teacher requests and friend requests* **will not be honored**. If a student's sibling has been previously placed with a teacher, a request via the Google Form for an alternate placement will be honored. **Information will only be considered when entered on the form. Please do not send separate letters or emails.**

If you have shared information previously in past years, please resubmit your information for this year as things do change. A confirmation email will be sent the week of April 29, 2024 from the building your child is attending in September. Please be reminded the form submission window closes on Friday, April 19, 2024.

We are looking forward to a smooth and successful transition and adjustment to a new school year. Thank you in advance for your continued support and guidance.

Warm Regards,

Daniel Ciccone, Michelle Collison, Katherine Rihm, Jessica Santarpia, Brian Simpson & Michelle Tancredi-Zott
