When do we shift to Remote Learning for All?

Remote for All:

Entire School Moves to Remote Instruction:
5% - 7-day average

We will track the local and regional rates and make decisions based on information specific to individual schools and circumstances

Standardization of Remote Learning

Schedule – will run as in school

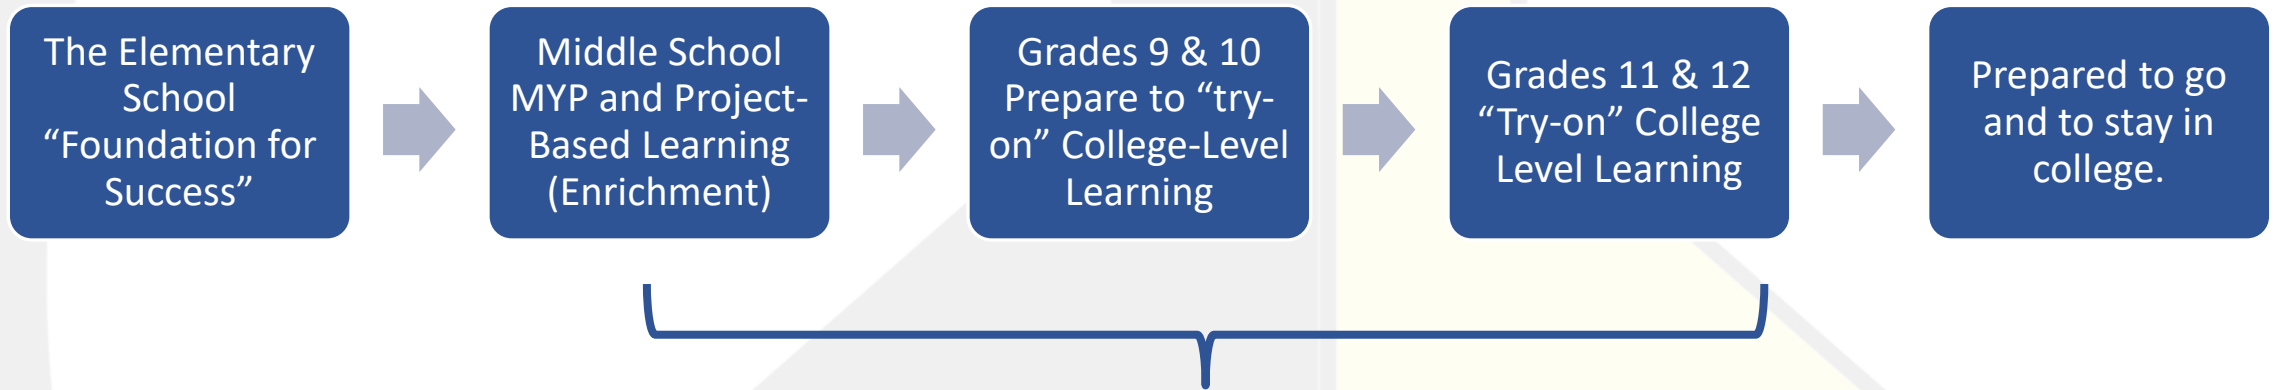

- Attendance - mandatory
- Participation – counted
- Grading – grades will be assigned
- Assessments – students will be responsible for tests/quizzes, etc.
- Communication/Feedback
- Shift in Instructional Practice
