# When do we shift to Remote Learning for All?

---

## Remote for All:

Entire School Moves to Remote Instruction:  
5% - 7-day average

Entire School Moves to Remote Instruction:

Elementary Classroom Moves to Remote Instruction:

We will track the local and regional rates and make decisions based on information specific to individual schools and circumstances

## **Standardization of Remote Learning**

### **Schedule – will run as in school**

- Attendance - mandatory
- Participation – counted
- Grading – grades will be assigned
- Assessments – students will be responsible for tests/quizzes, etc.
- Communication/Feedback
- Shift in Instructional Practice

# Activities and Events

We have begun approving building use requests for after school hours based on the following protocols:

Indoor/outdoor activities and events are permitted after school hours only.

As in the past, building use forms must be completed and approved at the school level and by Facilities Department.

**Each building use request is reviewed on a case-by-case basis to ensure all health, safety and COVID-19 protocols are met.**

At this time, visitors are not allowed during school hours. We will continue to monitor our COVID-19 numbers to determine future protocols. We will revisit the discussion in the coming weeks.
