

WELCOME TO THE CRAZY WORLD OF PARENTING YOUR CHILD IN THE REAL LIFE STATISTICS CURRICULUM

Come On In!

REAL LIFE STATISTICS

- ★ The topics covered in the REAL LIFE STATISTICS course will include: some algebra, some geometry and plenty of Statistics.
- ★ The REAL LIFE STATISTICS course will focus on problem solving, data interpretation, supporting your answers through structured answers utilizing the TI 84 calculator and graphing results in many different ways. The Final will be an in class final **THE WEEK BEFORE** Finals week June 2019.
- ★ In this class we will study each topic in an open format, so we may discover and share different problem solving techniques. There are many ways to interpret data. A new opinion is always welcomed!

A STUDENT MUST

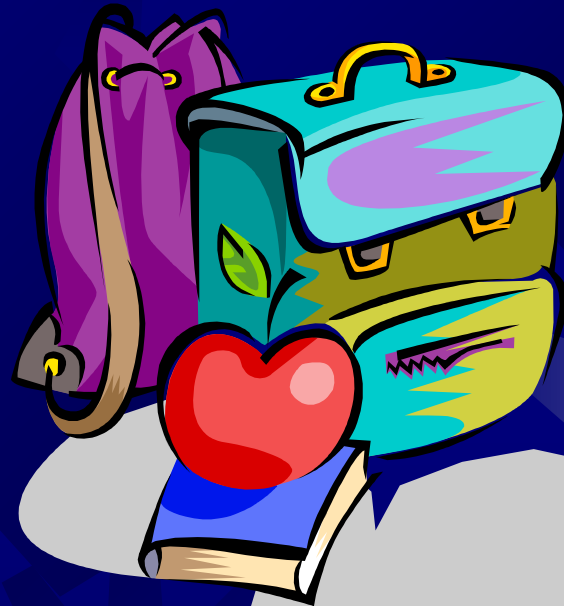

Be well rested

Be well prepared

Be well organized

Understand the daily
routine

Review daily material
everyday!

It is important for you to be involved and help your child.

- ★ It is also important for you NOT to do the homework for them.
- ★ There is a fine line that must be found for each individual child.

THE MATH GRADING POLICY

Tests	60%
Quizzes	30%
Homework	<u>10%</u>
Marking	
Period	
Grade	

HOMEWORK

- ✴ It is assigned 2 to 3 times a week!
- ✴ It is calculated as 10% of the Marking Period grade.
- ✴ If a student is absent they have as many days as they were out to make it up.
- ✴ If a student misses homework, they can make it up for $\frac{1}{2}$ credit.

The Parent Portal

- It is open now.
- You may check in on your child's grade at anytime.
- Grades will be entered about 1 week after it was handed back. This way corrections can be made prior to being entered into the Infinite Campus program.

What can you expect?

- ✱ There is homework 2 to 3 times per week!
- ✱ There is a test approximately every other week!
- ✱ There is a quiz approximately every other week too!
- ✱ 2 points will be added to every PARENT signed test as long as all corrections have already been made on the test!
- ✱ Extra help is available almost EVERYDAY before and after school. It is very helpful if I am told that someone is coming or not, this way I know how long I need to wait or not.

Thank you for your time!

- ★ I may be reached at 912-2099 ext 52260 during the school year.
- ★ I prefer and seem to be much more responsive at the following e-mail address.
- ★ LTunick@commack.k12.ny.us

Any questions?
