

Rolling Hills PTA Committee Sign-Up 2024-2025

The Rolling Hills PTA is beginning to plan for the 2024-2025 school year. As always, we need your continued support to provide many wonderful events and run many exciting committees for the children of our school. If you can volunteer for any of these committees, please write an “X” on the line for that committee. If you are interested in becoming a chairperson for any committee, please write “Chair” on that line. After we have compiled all the information from each parent, you will be contacted regarding your selections. Thank you in advance!
