

September 2021

Dear Parents and Guardians,

On behalf of the Rolling Hills PTA, we would like to welcome you to a new school year. If this is your first year at Rolling Hills, we would like to extend a very warm welcome to each of you. If you are a "seasoned" Rolling Hills family, we know that you are as excited as we are to be starting another school year.

We are looking forward to continuing the working partnership we have established with our outstanding teachers, parents, staff, and administration.

We encourage each and every one of you to become a member of our team. From the first day of school through September 30th, we will be collecting PTA dues and we warmly invite you to become an active member. We are always looking for new faces and fresh ideas. Whether you are a working parent or a stay at home mom or dad or something in-between, there is a place for you at Rolling Hills. Parent volunteers make it possible for us to run all the programs we offer to the students. The number one reason to join the PTA is to benefit our children. In doing so, you also help us. But there are many more advantages:

- \* By becoming a PTA member, you will be demonstrating to your child the importance you place on education,
- \* By volunteering with your PTA you gain valuable experiences and personal confidence. It is an opportunity to put your skills and hobbies to good use for a good cause.
- \* By getting involved you will be part of the solution helping to make positive change.
- \* PTA functions provide opportunities to meet other parents and teachers.
- \* The PTA is a forum for exchanging ideas. Attend the PTA meetings throughout the year to make suggestions and provide your input.

We are looking forward to working with all of you and making this year an exciting and a successful one. Thank you in advance for your support. If you have any questions, please feel free to contact us at any time.

Sincerely,

**Sarah Behret & Jessica Larsen**
