

Name: _____

Date: _____

Physics: Velocity Graph

Period: _____

Based on the graph below, answer the following questions:

a. What is the car's acceleration from 15 to 20 seconds?

b. What direction is the car going? Forward, Reverse, Stopped
0 – 5 seconds 5 – 10 seconds 10 – 15 seconds

c. What is the overall distance traveled from 0 to 25 seconds.

d. Graph the distance traveled from 0 to 25 seconds
