Welcome to the 2023-24 School Year!

We want to extend a warm welcome to the Class of 2027 and to all students and staff who are new to our building this year. In addition, we want to welcome all returning students and staff back to Commack High School. We are looking forward to seeing you and having your energy and enthusiasm.

One of the keys to making this year a successful one is to be engaged in all that CHS has to offer:

- Be an active and engaged learner.
- With over 60 clubs and honor societies - there's plenty of opportunities to be engaged outside of the classroom.
- CSIP encourages you to become engaged in your community - yes it's a requirement for graduation but more importantly, you may feel proud in knowing that you have done something good for others.

The entire building - the Administrative Team, the teachers, the counselors, the mental health team, the school nurses, and the support staff are here to help you become the best version of yourself and to help support and guide you in this endeavor. We are Proud to be CHS!

Wishing everyone an absolutely amazing year and we look forward to celebrating and highlighting all the amazing discoveries you are going to make, all the accomplishments you are going to achieve and all the successes we know that you are going to have!

Commack High School Counseling Center

School Counseling services are available to every student and are centered around the development of the whole child/adolescent. In partnership with parents, administrators, teachers, support personnel and community members; school counselors will foster social emotional growth, academic success, college and/or career readiness skills, independence and self-advocacy that will enable students to be lifelong learners and productive citizens.

Role of the High School Counselor:

- Provide transition support as students move from middle school to high school and beyond
- Monitor the academic progress of each student
- Advise students on academic planning
- Provide direct counseling services to students individually and/or in support groups
- Provide education and support services to parents
- Provide consultation services to teachers
- Facilitate referrals to community support services
- Counsel students who struggle with school phobia, negative peer and family relations, drug/alcohol use, academic and stress
- Provide career guidance to students
- Provide a comprehensive post-secondary planning program
- Maintain an up-to-date library of career and post-secondary school information
- Network with post-secondary schools

Welcome

Attention Senior Students and Families!

The Counseling Center produces monthly scholarship bulletins listing a small population of scholarships available that students maybe interested in. They will be posted on this website and updated regularly. You can also find hard copies in the Counseling Center. In addition the bulletins will be emailed to all students and their families.

Please be sure to note the DEADLINE dates REQUIRED on each scholarship. All scholarships must be handed in no later than the date posted on our bulletins. Please note that should a scholarship require supporting documentation from our office (transcript, letter of recommendation, etc.), the scholarship receipt form must be received at least 10 school days prior to the deadline.

The most recent presentation can be found [here](#).
