October 16, 2019

Dear Rolling Hills Families,

With the school year in full swing, I would like to take a moment to remind all of our families about a few safety procedures in and around Rolling Hills. For the safety of our students, their families and our staff, vehicles are not permitted to enter or leave the circle in front of our building when buses and vans are present. Also, vehicles are not permitted to block the crosswalks that extend across McCulloch Drive to the walkways to the building. In addition, we were reminded by the Suffolk County Police Department, that it is unlawful to park within 30 feet of a stop sign. Please be mindful when parking along the streets near Rolling Hills throughout the day.

Please note that it is unlawful for motorists to pass a stopped school bus with red lights flashing and the stop sign extended from the driver's side of the bus. It is imperative that all motorists make a full stop at all posted stop signs.

Thank you for always remembering to present your identification both at our visitor window and during our walker line dismissal. As always, the safety of all our students, staff and families is extremely important to us.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Jessica Santarpia
