

Commack School Business Partnership

Dear Parent/Guardian,

The Commack School District is extending an invitation to local businesses and professionals to become part of our School Business Partnership program.

The School Business Partnership is an important initiative, striving to provide all Commack students with early career awareness and with opportunities to develop the knowledge and experiences that they will need to be successful in their chosen profession. Through authentic learning experiences and exposure to experienced professionals from a variety of careers, Commack students will gain knowledge about the relevance of their schooling and insight into the talents and skills that they are developing in the Commack Schools.

We will be holding a School Business Partnership kick-off event Thursday evening, October 7, 2019 from 4 - 5 p.m. at Commack High School. If you or a family member are interested, please visit the district's website at www.commack.k12.ny.us and sign up for School Business Partnership email notifications. Go to *Community News* and click on *Community Connect Email Notification*. Additionally, information concerning the kick-off can be obtained by clicking on the *Backpack News* icon located on the main page of the district's website.

Sincerely,

Jeffrey A. Sautner
